INTRODUCING! TRIDENT 360

Faster, More Efficient
Workflow Management

We're introducing **Trident 360**, an upgraded version of our business workflow software designed specifically for training centres. While the core functionality remains unchanged, this update brings performance improvements and a refreshed interface, making daily operations smoother and more efficient.

WHAT'S NEW IN TRIDENT 360 ?

IMPROVED SPEED

Optimized performance for faster task processing.

UPDATED UI

A more streamlined and user-friendly interface.

RELIABLE FUNCTIONALITY

The tools you trust, now running better.

This update ensures that training centres can continue managing schedules, resources, and administrative tasks with minimal disruption—all while benefiting from a more responsive system.

Book a free demo to discover and experience TRIDENT 360 in action.
